

Five minutes. Three stories. The whole world.

A calm morning newspaper for the residents of [Community Name], read in the world's own languages and written in plain English.

From a recent edition: Singapore shows China's Dunhuang cave art

Discovery and culture, not just headlines. (Illustration)

- Ready by 6 a.m. Eastern, seven days a week, with your local weather on top
- Prefer to listen? Every story can read itself aloud
- **No ads. Not now, not ever.** Every source named, no partisan spin
- Talk it over with neighbors at Coffee & the World, [day & time]
